Mockup

The image shows a website mockup for "BarBeer Shop" displayed on a MacBook Air. The website has a dark background with a white header bar. In the top left of the header is a logo featuring a stylized beer mug with a dollar sign (\$) on it. To the right of the logo are six navigation links: "Accueil", "Barber Shop", "Bar à bière", "Nos soirées", "Mon compte", and "Contact". Below the header, the word "BarBeer Shop" is written in a smaller, sans-serif font. The main content area contains two large images side-by-side. The left image shows a man with glasses and a beard getting a haircut by another man. The right image shows a beer being poured into a glass, creating a thick head of foam. At the bottom of the website's content area, there is a question: "Besoin d'un rafraîchissement ?". At the very bottom of the MacBook Air screen, the text "MacBook Air" is visible.
